On the occasion of 15th Annual Day of ORSN
13th International Conference on

"Operations Research: Sustainable Development"

February 1-2, 2022

Kathmandu

(Hybrid Mode: Online and face to face)

⸺

Operational Research Society of Nepal

INVITATION

With the theme **Operations Research: Sustainable Development**, the conference seeks to bring together OR researchers, academicians and practitioners, whose collective work has sustained continuing OR contribution to decision-making. The conference aims to provide a forum where: Participants can exchange ideas on how OR methodologies have been or could be used to enhance national competitiveness; Researchers will present their findings dealing with the theoretical, computational, and application aspects of operations research; Practitioners will share their experiences on the problems, methodologies and outcomes of applying OR to solve real-world problems; Decision-makers could gain insights from experiences of others who have benefited from the use of OR in the public and private sectors.

Abstract Submission

The abstract should be typed in English, and should not include any mathematical notations. Each submission must contain the following:

Paper title

Unstructured Abstract around 200 words which should include Purpose and motivation, Problem, Methods, Result and Conclusion with 4-6 Keywords

Author(s) name(s), Affiliation(s) and Address(es)

Authors have to fill an abstract submission form https://bit.ly/orsnconfabstract (click here) or can email at orsn.nepal@gmail.com Accepted abstracts of registered authors will be published. The registration can be done through https://bit.ly/regd_conference (click here).
